Discuss/ think/do	Preschool:	The Bible teaches me what God is like  God can do anything.	God has a plan for people.  God helps all people.	God helps me do what He says.  God wants people to learn from Jesus	People make wrong choices.  God sent Jesus because He loves us.	We use the Bible to learn about God and Jesus at Church
	Grade School and older:	What do gardeners do? Why do you think God would be the gardener?  Why does God prune our branches?  What is the message that God has given us? How does it prune us?	How do we produce fruit? What kind of fruit is Jesus talking about in this passage?  Have a discussion about what it means to have good fruit in your life.	God wants us to produce much fruit and He tells us how to do that. What does it mean to “remain in Him”?  What can we do without God? How does that make you feel?	What happened to the branches that don’t remain in Jesus?  How does that make you feel?  How can we be useful to God?	God wants us to rely on Him so that we can be useful to Him. What does that look like in your life?  What does it mean to be successful in God’s eyes?
Pray		Pray and ask God to show you areas of your life that might need to be pruned. Ask Him to prune those things from your life. Ask Him to help you want to learn more about Him.	Pray and ask God to help you remain in Him and rely on Him for everything. Ask Him to help you produce good fruit. Ask Him to help you understand when there are areas of your life that are not producing good fruit and ask for forgiveness.	Pray and thank God for helping you produce good fruit. Ask God to use you to do His will. Thank God for loving you enough to care for you and help you do the things He has asked you to do.	Pray and ask God to help you be useful to His plan and purposes. Ask Him to keep you focused on Him and not distracted by things of this world. Thank God for His involvement in your life.	Pray and Thank God for His love and involvement in your life. Ask God to show you ways you can rely on Him more. Ask God to help you be a light and to share Him with the people you see everyday.
